Athletic Field Covers

Be prepared! Bad/increment weather can strike when you least expect or want it to occur. This heavy-duty field cover will assure that you can resume play within minutes after rain ends.

- 7.0 oz. woven polyethylene (silver/white), lightweight, and UV resistant.
- Perimeter rope hem for extra finish and durability.
- Gusseted loop handles on three sides of the cover for ease of deployment and removal.
- Includes stakes - grommets are spaced 3'-4' apart around perimeter.
- Three year prorated warranty on material and workmanship.
- Includes fitted sideline cover. Please provide dimensions of your rolling tube (culvert) to properly size your cover. Tube is not included.
- Color is silver/white (reversible).

All covers ship via truck

Pitcher's Mound, Home Plate, and Base Covers

Protect your dirt areas without having to pull out your field cover. These covers are lightweight yet durable.

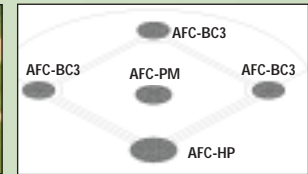

- Rip resistant 7 oz. woven polyethylene.
- Each panel heat sealed to ensure waterproof protection, enhanced by a perimeter rope to reinforce each weld.
- Fully warranted against fabric and manufacturing defects. Two year prorated warranty against breakdown from UV sunlight.
- Stakes are included.
- Colors include silver/white, forest green and royal blue. Please specify when ordering.
- Heavy duty reinforced vinyl also available - call for pricing.

PORTABLE BACKSTOP

BB-3555 Portable Backstop

This versatile backstop has wide-track pneumatic tires that conquer the roughest field terrain. Frame is constructed of 2" O.D. galvanized steel with 1-5/16" O.D. galvanized steel side wings, 8'6"H x 5'6"W. Heavy-duty 1-1/2" sq. mesh knotless nylon netting is climatized to resist weathering. Center section is 11'H x 9'W with a 6-1/2' overhang.

\$1999 ea 329 lbs. Ships Truck

BB-3000 Portable Backstop Without Wings

(Not shown) Same basic construction as BB-3555, except side wings are not included.

\$1695 ea 254 lbs. Ships Truck
