PURCHASING AUTHORITY DOLLAR THRESHOLD

No CMAS order may be executed by a State agency that exceeds that agency's CMAS purchasing authority threshold or the CMAS maximum order limit, whichever is less.

HOW TO USE CMAS CONTRACTS

Agencies must adhere to the detailed requirements in the State Contracting Manual (SCM) when using CMAS contracts. The requirements for the following bullets are in the SCM, Volume 2, Chapter 6 (for non-IT) and the SCM, Volume 3, Chapter 6 (for IT):

- Develop a Request for Offer, which includes a Scope of Work (SOW), and Bidder Declaration form. For information on the Bidder Declaration requirements, see the SCM, Volume 2, Section 3.5.7 and Volume 3, Section 3.4.7.
- Search for potential CMAS contractors at www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx, select "Find a CMAS Contract".
- Solicit offers from a minimum of 3 CMAS contractors including one small business and/or DVBE, if available, who are authorized to sell the products and/or services needed
- If soliciting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Std. 843) in the Request for Offer. This declaration must be completed and returned by the DVBE prime contractor and/or any DVBE subcontractors. (See the SCM Volumes 2 and 3, Chapter 3)
- This is not a bid transaction, so the small business preference, DVBE participation goals, protest language, intents to award, evaluation criteria, advertising, etc., are not applicable.
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers solicited did not respond with an offer.
- Assess the offers received using best value methodology, with cost as one of the criteria.
- Issue a Purchase Order to the selected contractor.
- For CMAS transactions under \$5,000 only one offer is required if the State agency can establish and document that the price is fair and reasonable.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
SPORTSEdge
CMAS NO. 4-16-78-0080A**

Local governments set their own order limits, and are not bound by the order limits on the cover page of this contract.

SPLITTING ORDERS

Splitting orders to avoid any monetary limitations is prohibited.

Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders (PCC § 10329).

Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited (SAM 4819.34).

MINIMUM ORDER LIMITATION

There is no minimum dollar value limitation on orders placed under this contract.

ORDERING PROCEDURES

1. Order Form

State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing website. The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the Standard Form 65 www.dgs.ca.gov/dgs/ProgramsServices/Forms/FMC/Search.aspx.

2. Purchase Orders

State and Local Government agencies are required to send a copy of each CMAS purchase order to:

Department of General Services
Procurement Division, Data Management Unit
PO Box 989052, MS #2-203
West Sacramento, CA 95798-9052
(or via Interagency Mail Service Code Z-1)

The agency is required to complete and distribute the order form. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services being provided. The cost for each line item should be included in the order, not just system totals.

The contractor must immediately reject orders that are not accurate. Discrepancies are to be negotiated and incorporated into the order prior to the products and services being delivered.

3. Service and Delivery after Contract Expiration

The purchase order must be issued before the CMAS contract end term expires. However, delivery of the products or completion of the services may be after the contract end term expires (unless otherwise specifically stated in the contract), but must be as provided for in the contract and as specified in the purchase order.

4. Multiple Contracts on STD. 65 Order Form

Agencies may include multiple CMAS contracts from the same contractor on a single Std. 65 Contract/Delegation Purchase Order. For guidelines, see the SCM, Volumes 2 & 3, Chapter 6.B4.1.

5. Amendments to Agency's Purchase Orders

Agency purchase orders cannot be amended if the CMAS contract has expired.

The SCM, Volumes 2 & 3, Chapter 6.A5.0 provides the following direction regarding amendments to all types of CMAS purchase orders:

Original orders, which include options for changes (e.g., quantity or time), that were evaluated and considered in the selection for award during the RFO process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then amendments are not allowed unless an NCB is approved for those amendments.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
SPORTSEdge
CMAS NO. 4-16-78-0080A**

Amendments unique to non-IT services are covered in the SCM, Volume 2, Chapter 6.B2.9 as follows:

If the original contract permitted amendments, but did not specify the changes (e.g., quantity or time), it may be amended. This only applies to the first amendment. The time shall not exceed one year, or add not more than 30% of the original order value and may not exceed \$250,000. If the original contract did not have language permitting amendments, the NCB process must be followed.

Also, see the SCM, Volumes 2 & 3, Chapter 8, Topic 6, for more information on amending purchase orders.

CONTRACTOR OWNERSHIP INFORMATION

SportsEdge is a large business enterprise.

SMALL BUSINESS MUST BE CONSIDERED

Prior to placing orders under the CMAS program, State agencies shall whenever practicable first consider offers from small businesses that have established CMAS contracts [GC Section 14846(b)]. NOTE: The Department of General Services auditors will request substantiation of compliance with this requirement when agency files are reviewed.

The following website lists CMAS Small Business and Disabled Veteran Partners
www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx
and then select "Find a CMAS Contractor".

In response to our commitment to increase participation by small businesses, the Department of General Services **waives the administrative fee (a fee currently charged to customer agencies to support the CMAS program) for orders to certified small business enterprises.**

See the current fees in the DGS Price Book at www.dgs.ca.gov/ofs/Pricebook.aspx.

SMALL BUSINESS/DVBE - TRACKING

State agencies are able to claim subcontracting dollars towards their small business or DVBE goals whenever the Contractor subcontracts a commercially useful function to a certified small business or DVBE. The Contractor will provide the ordering agency with the name of the small business or DVBE used and the dollar amount the ordering agency can apply towards its small business or DVBE goal.

SMALL BUSINESS/DVBE - SUBCONTRACTING

1. The amount an ordering agency can claim towards achieving its small business or DVBE goals is the dollar amount of the subcontract award made by the Contractor to each small business or DVBE.

2. The Contractor will provide an ordering agency with the following information at the time the order is quoted:

- a. The Contractor will state that, as the prime Contractor, it shall be responsible for the overall execution of the fulfillment of the order.
- b. The Contractor will indicate to the ordering agency how the order meets the small business or DVBE goal, as follows:
 - List the name of each company that is certified by the Office of Small Business and DVBE Certification that it intends to subcontract a commercially useful function to; and
 - Include the small business or DVBE certification number of each company listed, and attach a copy of each certification; and
 - Indicate the dollar amount of each subcontract with a small business or DVBE that may be claimed by the ordering agency towards the small business or DVBE goal; and
 - Indicate what commercially useful function the small business or DVBE subcontractor will be providing towards fulfillment of the order.

3. The ordering agency's purchase order must be addressed to the prime Contractor, and the purchase order must reference the information provided by the prime Contractor as outlined above.

NEW EQUIPMENT REQUIRED

The State will procure new equipment. All equipment must be new (or warranted as newly manufactured) and the latest model in current production. Used, shopworn, demonstrator, prototype, or discontinued models are not acceptable.

Where Federal Energy Management Program (FEMP) standards are available, all State agencies shall purchase only those products that meet the recommended standards. All products displaying the Energy Star label meet the FEMP standards.

SPECIAL MANUFACTURED GOODS

Any contract for goods to be manufactured by the contractor specifically for the State and not suitable for sale to others may require progress payments.

For Non-IT goods contracts, see the CMAS contract Non-IT Commodities Terms & Conditions, Provision 69, Progress Payments.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
SPORTSEdge
CMAS NO. 4-16-78-0080A**

TRADE-IN EQUIPMENT

Trade-ins at open market price may be considered. The product description and trade-in allowance must be identified on the purchase order.

Agencies are required to adhere to SAM 3520 through 3520.6, Disposal of Personal Property and Surplus Personal Property, as applicable, when trade-ins are considered. A Property Survey Report, Std. 152, must be submitted for approval prior to disposition of any State-owned personal property, including general office furniture regardless of the acquisition value, or if the property was recorded or capitalized for accounting purposes.

OPEN MARKET/INCIDENTAL, NON-SCHEDULE ITEMS

The only time that open market/incidental, non-schedule items may be included in a CMAS order is when they fall under the parameters of the Not Specifically Priced (NSP) Items provision. If the NSP provision is not included in the schedule, or the products and/or services required do not qualify under the parameters of the NSP provision, the products and/or services must be procured separate from CMAS.

NOT SPECIFICALLY PRICED (NSP) ITEMS

Contractors must be authorized providers of the hardware, software and/or services they offer under the Not Specifically Priced (NSP) Items provision.

Agency and contractor use of the NSP provision is subject to the following requirements:

1. Purchase orders containing only NSP items are prohibited.
2. A purchase order containing NSP items may be issued only if it results in the lowest overall alternative to the State.
3. NSP items shall be clearly identified in the order. Any product or service already specifically priced and included in the contract may not be identified as an NSP item.
4. Maximum Order Limitation: For orders \$250,000, or less, the total dollar value of all NSP items included in a purchase order shall not exceed \$5,000. For orders exceeding \$250,000, and at the option of the contractor, the total dollar value of all NSP items in a purchase order shall not exceed 5% of the total cost of the order, or \$25,000 whichever is lower.

5. An NSP item included in an order issued against a contract is subject to all of the terms and conditions set forth in the contract.
6. Trade-ins, upgrades, involving the swapping of boards, are permissible, where the contract makes specific provisions for this action. In those instances where it is permitted, the purchase order must include the replacement item and a notation that the purchase involves the swapping of a board.

The following NSP items ARE SPECIFICALLY EXCLUDED from any order issued under this contract:

1. Items not intended for use in directly supporting the priced items included in the same order. An NSP item must be subordinate to the specifically priced item that it is supporting. For example, a cable, which is not otherwise specifically priced in the contract, is subordinate to a specifically priced printer or facsimile machine, and is eligible to be an NSP item subject to that cable meeting the remaining NSP requirements. However, a printer or facsimile machine, which is not otherwise specifically priced in the contract, is not subordinate to a specifically priced cable, and is not eligible to be an NSP item.
2. Supply type items, except for the minimum amount necessary to provide initial support to the priced items included in the same order.
3. Items that do not meet the Productive Use Requirements for information technology products, per the SCM, Volume 3, Chapter 2, Section 2.B6.2.
4. Any other item or class of items specifically excluded from the scope of this contract.
5. Public Works components NOT incidental to the total purchase order amount.
6. Products or services the contractor is NOT factory authorized or otherwise certified or trained to provide.
7. Follow-on consultant services that were previously recommended or suggested by the same contractor.

The contractor is required to reject purchase orders containing NSP items that do not conform to the above requirements. The contractor will promptly notify the agency issuing the non-conforming order of its non-acceptance and the reasons for its non-acceptance.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
SPORTSEdge
CMAS NO. 4-16-78-0080A**

**STATE AND LOCAL GOVERNMENTS CAN USE
CMAS**

State and local government agency use of CMAS contracts is optional. A local government is any city, county, city and county, district, or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges empowered to expend public funds. While the State makes this contract available, each local government agency should make its own determination whether the CMAS program is consistent with their procurement policies and regulations.

UPDATES AND/OR CHANGES

A CMAS amendment is not required for updates and/or changes once the update and/or change becomes effective for the federal GSA schedule, except as follows:

- A CMAS amendment is required when the contract is based on products and/or services from another contractor's multiple award contract and the contractor wants to add a new manufacturer's products and/or services.
- A CMAS amendment is required for new federal contract terms and conditions that constitute a material difference from existing contract terms and conditions. A material change has a potentially significant effect on the delivery, quantity or quality of items provided, the amount paid to the contractor or on the cost to the State.
- A CMAS amendment is required for changes to contracts that require California Prison Industry Authority (CALPIA) approval.

A CMAS amendment is required to update and/or change terms and conditions and/or products and services based on a non-federal GSA multiple award contract.

**SELF-DELETING FEDERAL GSA TERMS AND
CONDITIONS**

Instructions, or terms and conditions that appear in the Special Items or other provisions of the federal GSA and apply to the purchase, license, or rental (as applicable) of products or services by the U.S. Government in the United States, and/or to any overseas location shall be self-deleting. (Example: "Examinations of Records" provision).

Federal regulations and standards, such as Federal Acquisition Regulation (FAR), Federal Information Resources Management Regulation (FIRMR), Federal Information Processing Standards (FIPS), General Services Administration Regulation (GSAR), or Federal Installment Payment Agreement (FIPA) shall be self-deleting. Federal blanket orders and small order procedures are not applicable.

ORDER OF PRECEDENCE

The CMAS Terms and Conditions shall prevail if there is a conflict between the terms and conditions of the contractor's federal GSA, (or other multiple award contract), packaging, invoices, catalogs, brochures, technical data sheets or other documents (see CMAS Terms and Conditions, CONFLICT OF TERMS).

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies, and guidelines are applicable. THE USE OF CMAS DOES NOT REDUCE OR RELIEVE STATE AGENCIES OF THEIR RESPONSIBILITY TO MEET STATEWIDE REQUIREMENTS REGARDING CONTRACTING OR THE PROCUREMENT OF GOODS OR SERVICES. Most procurement and contract codes, policies, and guidelines are incorporated into CMAS contracts. Nonetheless, there is no guarantee that every possible requirement that pertains to all the different and unique State processes has been included.

STATEWIDE PROCUREMENT REQUIREMENTS

Agencies must carefully review and adhere to all statewide procurement requirements in the SCM, Volumes 2 and 3, such as:

- Automated Accounting System requirements of State Administrative Manual (SAM) Section 7260-62
- Productive Use Requirements, per the SCM, Volume 3, Chapter 2, Section 2.B6.2.
- SAM Sections 4819.41 and 4832 certifications for information technology procurements and compliance with policies.
- Services may not be paid for in advance.
- Agencies are required to file with the Department of Fair Employment and Housing (DFEH) a Contract Award Report Std. 16 for each order over \$5,000 within 10 days of award, including supplements that exceed \$5,000.
- Pursuant to Public Contract Code Section 10359 State agencies are to report all Consulting Services Contract activity for the preceding fiscal year to DGS and the six legislative committees and individuals that are listed on the annual memorandum from DGS.
- Pursuant to Unemployment Insurance Code Section 1088.8, State and local government agencies must report to the Employment Development Department (EDD) all payments for services that equal \$600 or more to independent sole proprietor contractors. See the Contractor's Std. 204, Payee Data Record, to determine sole proprietorship. For inquiries regarding this subject, contact EDD at (916) 651-6945 for technical questions or (888) 745-3886 for information and forms.
- Annual small business and disabled veteran reports.

**ETHNICITY/RACE/GENDER REPORTING
REQUIREMENT**

Effective January 1, 2007, in accordance with Public Contract Code 10111, State agencies are to capture information on ethnicity, race, and gender of business owners (not subcontractors) for all awarded contracts, including CAL-Card transactions. Each department is required to independently report this information to the Governor and the Legislature on an annual basis.

Agencies are responsible for developing their own guidelines and forms for collecting and reporting this information,

Contractor participation is voluntary.

PAYMENTS AND INVOICES

1. Payment Terms

Payment terms for this contract are net 45 days.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

2. Payee Data Record (Std. 204)

Each State accounting office must have a copy of the Contractor's Payee Data Record (Std. 204) in order to process payment of invoices. Contractors are required to provide a copy of their Std. 204 upon request from an agency customer. Agencies should forward a copy of the Std. 204 to their accounting office. Without the Std. 204, payment may be unnecessarily delayed.

3. DGS Administrative and Incentive Fees

Orders from State Agencies:

The Department of General Services (DGS) will bill each State agency directly an administrative fee for use of CMAS contracts. The administrative fee should NOT be included in the order total, nor remitted before an invoice is received from DGS. This administrative fee is waived for CMAS purchase orders issued to California certified small businesses.

See the current administrative fees in the DGS Price Book at www.dgs.ca.gov/ofs/Pricebook.aspx.

Orders from Local Government Agencies:

Effective for CMAS orders dated 1/1/2010 or later, CMAS contractors, who are not California certified small businesses, are required to remit to the DGS an incentive fee equal to 1% of the total of all local government agency orders (excluding sales tax and freight) placed against their CMAS contract(s). This incentive fee is in lieu of local government agencies being billed the above referenced DGS administrative fee.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this contract entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

4. Contractor Invoices

Unless otherwise stipulated, the contractor must send their invoices to the agency address set forth in the purchase order. Invoices shall be submitted in triplicate and shall include the following:

- Contract number
- Agency purchase order number
- Agency Bill Code
- Line item number
- Unit price
- Extended line item price
- Invoice total

State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

The company name on the CMAS contract, purchase order and invoice must match or the State Controller's Office will not approve payment.

5. Advance Payments

Advance payment is allowed for services only under limited, narrowly defined circumstances, e.g., between specific departments and certain types of non-profit organizations, or when paying another government agency (GC 11256 – 11263 and 11019).

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription, may be paid in advance if a provision addressing payment in advance is included in the purchase order.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
SPORTSEdge
CMAS NO. 4-16-78-0080A**

Warranty upgrades and extensions may also be paid for in advance, one time.

6. Credit Card

SportsEdge does not accept the State of California credit card (CAL-Card).

7. Lease/Purchase Analysis

State agencies must complete a Lease/Purchase Analysis (LPA) to determine best value when contemplating a lease/rental, and retain a copy for future audit purposes (SAM 3700). Approval by the Department of General Services is not required.

8. Leasing

Except for Federal Lease to Own Purchase (LTOP) and hardware rental provisions with no residual value owed at end term (\$1 residual value is acceptable), Federal GSA Lease provisions are NOT available through CMAS because the rates and contract terms and conditions are not acceptable or applicable to the State.

SEAT Management financing options are NOT available through this contract.

As an alternative, agencies may consider financing through the State's financial marketplace GS \$Mart™. All terms and conditions and lenders are pre-approved for easy financing. The GS \$Mart™ Internet address is www.dgs.ca.gov/pd/programs/statefinancialmarketplace.aspx. Buyers may contact the GS \$Mart™ Administrator, Patrick Mullen by phone at (916) 375-4617 or e-mail at patrick.mullen@dgs.ca.gov for further information.

CMAS NO. 4-16-78-0080A**

CMAS contractors cannot charge local government agencies an additional 1% charge on a separate line item to cover the incentive fee. The contractor must include the 1% incentive fee in the price of the products or services offered, and the line item prices must not exceed the applicable GSA prices.

A local government agency is any city, county, district, or other local governmental body, including the California State University (CSU) and University of California (UC) systems, K-12 public schools and community colleges empowered to expend public funds.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this contract entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

CONTRACTOR PROVIDES COPY OF THE CONTRACT AND SUPPLEMENTS

CMAS contractors are required to provide the entire contract that consists of the following:

- Cover pages with DGS logo and CMAS analyst's signature, and Ordering Instructions and Special Provisions.
- California CMAS Terms and Conditions.
- Federal GSA Terms and Conditions.
- Federal GSA products, services, and price list.
- Supplements, if applicable.

It is important for the agency to confirm that the required products, services, and prices are included in the contract and are at or below contract rates. To streamline substantiation that the needed items are in the contract, the agencies should ask the contractor to identify the specific pages from the contract that include the required products, services, and prices. Agencies should save these pages for their file documentation.

CONTRACTORS ACTING AS FISCAL AGENTS ARE PROHIBITED

When a subcontractor ultimately provides all of the products or performs all of the services that a contractor has agreed to provide, and the prime contractor only handles the invoicing of expenditures, then the prime contractor's role becomes that of a fiscal agent because it is merely administrative in nature, and does not provide a Commercially Useful Function (CUF). It is unacceptable to use fiscal agents in this manner because the agency is paying unnecessary administrative costs.

AGENCY RESPONSIBILITY

Agencies must contact contractors to obtain copies of the contracts and compare them for a best value purchasing decision.

Each agency is responsible for its own contracting program and purchasing decisions, including use of the CMAS program and associated outcomes.

This responsibility includes, but is not necessarily limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's interests, obtaining required approvals, and documenting compliance with Government Code 19130.b (3) for outsourcing services.

It is the responsibility of each agency to consult as applicable with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order.

If you do not have legal services available to you within your agency, the DGS Office of Legal Services is available to provide services on a contractual basis.

CONFLICT OF INTEREST

Agencies must evaluate the proposed purchase order to determine if there are any potential conflict of interest issues. See the attached CMAS Terms and Conditions, Conflict of Interest, for more information.

FEDERAL DEBARMENT

When federal funds are being expended, the agency is required to obtain (retain in file) a signed "Federal Debarment" certification from the contractor before the purchase order is issued.

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants; responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

LIQUIDATED DAMAGES FOR LATE DELIVERY

The value of the liquidated damages cannot be a penalty, must be mutually agreed upon by agency and contractor and included in the purchase order to be applicable.

ACCEPTANCE TESTING CRITERIA

If the agency wants to include acceptance testing for all newly installed technology systems, and individual equipment, and machines which are added or field modified (modification of a machine from one model to another) after a successful performance period, the test criteria must be included in the purchase order to be applicable.
