

LEED Product Data Sheet

SE444 – SportsEdge® 8” Wood Take-Off Board System

Materials and Resources (MR) Credit 4.1 and 4.2: Recycled Content

<i>Component Material:</i>	<i>Postconsumer Content:</i>		<i>Preconsumer Content (Post-Industrial):</i>	
Aluminum (Tray & Leveling Board)	9.51	%	61.7	%
Wood (Take-Off Board)	0	%	0	%

Materials and Resources (MR) Credit 5.1 and 5.2: Regional Materials

<i>Component Material:</i>	<i>Supplier Location:</i>	<i>Manufacture Location:</i>	<i>Distance Between Supplier & Manuf. Locations (In Miles)</i>
Aluminum	Bettendorf, IA	Matthews, NC	690
Wood	Only particle board has Postconsumer or Preconsumer Recycled Content.		

LEED for Schools Only:

Environmental Quality Credit 4: Low Emitting Materials (1-4 Points)

Option 1: Adhesives and Sealants

N/A

Option 2: Paints and Coatings

N/A

Option 3: Composite Wood

N/A

LEED for New Construction:

Environmental Quality Credit 4.1: Low-Emitting Materials: Adhesives And Sealants (1 Point)

N/A

Environmental Quality 4.2: Low-Emitting Paints and Coatings (1 Point)

N/A

Environmental Credit 4.4: Low-Emitting Material: Composite Wood (1 Point)

N/A
