LEGEND

FIXED HEIGHT BASKETBALL SYSTEM

- Extension arm is constructed of 6"x6" (3/16" wall) solid steel tubing
- All First Team goals are "direct mounted" to eliminate backboard breakage when players hang on the rim.
- Massive 6"x6" (3/16" wall) one piece steel post
- Optional all-weather velcro wrap-around post padding for added safety (See padding section for available colors)
- Post is buried 48" below playing surface. (FT18 ground sleeve option available to make post removable.)
- Extensive backboard selection is available
- Optional TuffGuard™ all-weather bolt-on backboard padding available in several colors

• Post to backboard extension distance is 66"

The Legend offers exceptional rigidity, uncompromising durability and maximum safety even on the toughest courts!

Built from heavy 6" square, 3/16" thick steel tubing, the Legend provides unmatched stability and durability. Designed for the most rugged playgrounds, the Legend performs equally well on the home court. The post is positioned 66" behind the backboard for safety.

The extension arm on the Legend is attached to the vertical post via six 5/8" high tensile bolts. Though the Legend is considered a "Fixed Height" goal, the extension arm can be bolted at any height along the post.

First Team offers an array of backboards and rims with the Legend. Our Response™ tempered glass backboard offers the same look and authentic ball rebound enjoyed by college and professional players. Our popular Legend Dual packages add a second extension arm, backboard and rim to the opposite side of the post to maximize playing area on the playground.

For additional safety, pole padding and backboard padding are available for most Legend packages.

Every Legend package comes with a Lifetime Warranty.

LEGEND JR.

FIXED HEIGHT BASKETBALL SYSTEM

- Extension arm is constructed of 5"x5" (3/16" wall) solid steel tubing
- All First Team goals are "direct mounted" to eliminate backboard breakage when players hang on the rim.
- Tough 5"x5" (3/16" wall) one piece steel post
- Optional all-weather velcro wrap-around post padding for added safety (See padding section for available colors)
- Post is buried 42" below playing surface. (FT1 ground sleeve option can be purchased to make post removable.)
- Extensive backboard selection is available
- Optional TuffGuard™ all-weather bolt-on backboard padding available in several colors
- Post to backboard extension distance is 52"

The Legend Jr. offers a combination of playground durability and professional performance!

The Legend Jr.'s vertical post and extension arm are both constructed of rugged 5" square 3/16" thick tubular steel. Combined they provide top-notch performance in both durability and rigidity. The post is set back 52" for added safety.

The extension arm on the Legend Jr. is attached to the vertical post using six high tensile 5/8" bolts. Though the Legend Jr. is considered a "Fixed Height" goal, the extension arm can be bolted at any height along the post.

First Team offers a large selection of backboards and rims with the Legend Jr. Choose a Legend Jr. package with one of our Response™ tempered glass backboards if you are wanting authentic gymnasium style ball reaction. Our popular Legend Jr. Dual packages add a second extension arm, backboard and rim to the opposite side of the post to maximize playing area on the playground.

For added safety, pole padding and backboard padding are available for most Legend Jr. packages.

Every Legend Jr. package comes with a Lifetime Superior Warranty.

the

TYRANT

FIXED HEIGHT BASKETBALL SYSTEM

- Extensive backboard selection. Backboards are available in steel, aluminum, fiberglass or clear acrylic. Sizes vary from 36"x54" to 42"x 2".

- Heavy-Duty 6 5/8" O.D. schedule 40 galvanized post.

- "nose-cone" backboard mounting design with through-bolt permanently locking "nose-cone" to post

- First Team goals are "direct mounted" to eliminate backboard stress

- Post is buried 48" below playing surface.

- Post to backboard extension distance is 2"

When it comes to the playground, no other basketball system can stand up to the T2RA' T!

First Team's Tyrant basketball system is our largest, most rigid basketball system yet! With its incredible 6 5/8" diameter galvanized post and outstanding 2" overhang, the Tyrant stands alone as the country's leading playground basketball system.

First Team has incorporated its easy to install nosecone into the Tyrant pole structure design. This makes installing the backboard much easier, minimizing backboard lifting when installing the backboard. The Tyrant is 1' DESTRUCTIBLE and First Team backs it with our LIFETIME U' CO' DITIO' AL WARRA' T2!

For added safety, pole padding and backboard padding are available for any Tyrant basketball package.

So why let your basketball court be run down by other systems that can't hold up? Let First Team show you the true meaning of reliability and toughness with the T2RA' T!

the

BRUTE

FIXED HEIGHT BASKETBALL SYSTEM

Supplied by: SportsEdge® 800-334-6057 www.sportsedge.com

- Extensive backboard selection. Backboards are available in steel, aluminum, fiberglass or clear acrylic. Sizes vary from 36"x54" to 42"x 2".

- Heavy-Duty 5 9/16" O.D. schedule 40 galvanized post.

- "nose-cone" backboard mounting design with through-bolt permanently locking "nose-cone" to post

- First Team goals are "direct mounted" to eliminate backboard stress

- Post is buried 48" below playing surface.

- Post to backboard extension distance is 2"

First Team's BRUTE fixed height basketball systems are a step ahead of the rest when it comes to playground rigidity, performance and durability!

The Brute series of basketball packages are built with a stable 5 9/16" diameter galvanized post. The post extension allows for 2" of run-out room and is designed with First Team's unique nosecone style backboard mounting making backboard installation and setup a breeze.

The Brute is built to take whatever punishment comes its way and is fully covered by First Team's exclusive LIFETIME U' CO' DITIO' AL WARRA' T2!

For added safety, pole padding and backboard padding are available for any Brute basketball package.

So don't get bullied into purchasing inferior units. Give your playground court added toughness and performance season after season with the BRUTE!

the RUFFNECK

FIXED HEIGHT BASKETBALL SYSTEM

- Extensive backboard selection
- Heavy-Duty 4 1/2" O.D. schedule 40 post
- Post is weather resistant galvanized
- "nose-cone" backboard mounting design with through-bolt permanently locking "nose-cone" to post

The RuffNeck offers exceptional durability at a price that meets any budget.

The RuffNeck is a "Fixed Height" pole system constructed of 4 1/2" O.D. galvanized schedule 40 tubing. The direct rim mount design allows the rim to be mounted through the backboard and into the post, eliminating backboard stress. The backboard is further supported by two tubular braces fixed to the neck of the post.

Our unique "nose-cone" backboard mounting design makes backboard installation simple.

First Team offers a wide variety of backboard & rim styles on the RuffNeck system, allowing you to select the perfect RuffNeck package for your application.

Every RuffNeck package comes with a Lifetime Limited Warranty.

- First Team goals are "direct mounted" to eliminate backboard stress

• Post to backboard extension distance is 48"

the

SPORT

FIXED HEIGHT BASKETBALL SYSTEM

First Team

- Selection of various clear acrylic backboards. Sizes range from 36"x48" to 36"x60"

- Super strength flex goals are "direct mounted" to eliminate any chance of backboard breakage

- Optional bolt-on TuffGuard™ backboard padding available in several colors

- Post to backboard extension distance is 24"

- Our one piece 4"x4" 11 ga. (1/8" wall) post is the heaviest of its kind in the industry

- Optional all-weather velcro wrap-around post padding for added safety (See padding section for available colors)

- Post is buried 36" below playing surface. (FT16 ground sleeve option can be purchased to make post removable.)

The Sport offers a professional look at an affordable price!

The Sport's 4"x4" 11 ga. steel post is 50 heavier than any goal of its kind. Our one piece post design eliminates the potential for joint deterioration common with sectional type posts.

The extension arm on the Sport is attached to the vertical post using two heavy duty U-bolts. Though the Sport is considered a "Fixed Height" goal, the U-bolts can be loosened allowing the arm to be re-attached at any given height along the post.

A variety of backboards and rims are offered with the Sport so you can choose the Sport package that's right for you.

For additional safety, pole padding and backboard padding can be added to any Sport package.

Every Sport package comes with a Lifetime Limited Warranty.
