

SEF305 - Football Goal Post; High School 8' Gooseneck

SPECIFICATIONS

SportsEdge goal posts are constructed of schedule 40 aluminum with a 6⁵/₈" diameter cross bar and a gooseneck offset with 4" diameter uprights. The durable powder coat finish is available in either white or yellow.

Each goal is designed for easy leveling of the crossbar and uprights. The gooseneck offset comes in 6 1/2ft or 8ft lengths. The 8ft length allows a soccer goal to fit underneath the crossbar. All goals are sold in pairs. Ground sleeves sold separately.
